This is an email of support from the Oswalds, who live two doors down and have a Landmark Seal on their home. They also sent in the City's letter of approval for the proposed changes. Richard

Richard Suttle,
Karen and I who live at 2200 Windsor Rd are in full support of a landmark designation for the outstanding job the Hill's have done on restoration of the Sibley house. We also have a historic designation and spend \$\$ per year to honor and maintain our house. We know the Hill's will take exceptional care
Of this historic home.
Best regards,
John D Oswald,MD
